RadComm, Inc.
20 Rancho Verde
Tijeras, NM 87059-7953

Toll Free 1-888-4 XRAY CE
(1-888-497-2923)

FAX 1-505-286-7851

HOW IT WORKS:

Simply read the study units and complete the post-tests at your own convenience. Then return the tests to RadComm, via mail, email or fax. You will promptly receive a certificate of successful completion which you can copy and submit to your state and national accreditation organization for continuing education credit. Order only the courses which interest you.

All courses have been approved by an ARRT-approved Recognized Continuing Education Evaluation Mechanisms (RCEEM).
Individual state approval from: Florida.

YOUR ADVANTAGE:

You can receive quality continuing education credits when you need them at an affordable price. These study courses are available online as PDF's or in booklet format. You no longer have to attend seminars to complete your continuing education requirements.

All courses are backed with a 14-day money-back guarantee if you are not satisfied for any reason. Just return the materials and you will receive a full refund **minus the shipping charge**. Sorry **there is no refund** available for electronic media (CD's).

We are currently offering nineteen courses for a total of 56 Cat A credits. Please find a sample of pricing below:

- **The cost is \$10 per credit**
- **Additional tests only are priced at \$8 per credit. Available on website.**

For additional information, please visit our website or call us.

All prices are subject to change.

Indicate Method of Payment:

- Check or Money Order
- Credit Card(All Major Credit Cards Accepted)
